1. Welcome to OCSAPP

OCSAPP gives Quebec businesses direct access to a network of verified suppliers, a procurement portal and local delivery through the ODA network. Use Procurement, Distribution, or both, on the same account.

At a glance

Procurement	Free, 1% fee, no subscription or markup
Distribution	Starter, Pro and Enterprise plans
Activation	1-2 business days once your NEQ is verified
Active zone	West Island (Laval and Greater Montreal coming soon)

2. Your journey in 3 steps

1. Register your business. During beta, use the personal link in your invitation email, with the email address the invitation was sent to. Enter your legal name, NEQ, registered address and delivery address. Your account is activated 1-2 business days after NEQ verification.

2. Request or automate. Submit a one-time procurement request, or set up a recurring route with your suppliers and delivery schedule.

3. Track and receive. Track your shipment by GPS, receive your documents (purchase order, bill of lading, invoice) and pay online.

3. What to have ready

Category	What to prepare
Business information	Legal name, address and province, NEQ, GST/QST numbers, business type and industry, estimated monthly procurement volume
Key contacts	Procurement lead, accounts payable (invoices), delivery receiving, and the owner or general manager
Sourcing needs	Product categories, order frequency and size, required certifications (organic, halal, kosher)
Distribution only	Proof of commercial general liability insurance (see the Insurance section)

4. What it costs

Service	Monthly fee	Fee	Includes
Procurement	Free	1%, flat	Multi-supplier requests, consolidated delivery, no markup on supplier prices
Distribution Starter	\$49	5%	GPS-tracked shipments, local delivery integration
Distribution Pro	\$179	7%	All of Starter, for growing SMEs
Distribution Enterprise	Custom quote	Custom	Negotiated rates and terms

The distribution fees shown are the West Island base rate. A fixed zone delivery fee applies: **\$19 West Island, \$21 Laval, \$24 Greater Montreal**. Payment processing (2.9% + \$0.30) is shown separately.

Possible surcharges, calculated automatically and shown before you confirm (West Island / Laval / Greater Montreal):

Situation	Surcharge
Order of 25-50 kg	\$10.00 / \$11.25 / \$12.50
Each 10 kg over 50 kg (100 kg maximum)	\$5.00 / \$5.63 / \$6.25
Each supplier beyond the 2nd consolidated	\$4.00 / \$4.50 / \$5.00
Distance of 10-15 km	\$10.00 / \$11.25 / \$12.50
Each 5 km over 15 km (30 km maximum)	\$5.00 / \$5.63 / \$6.25

5. Payment and net-30 terms

Pay by card, PayPal or EFT. Net-30 terms are not available right at activation:

- **Qualification period:** your first 3 completed orders and your first 30 days of activity (both required) are paid by card, PayPal or EFT.
- **Credit check:** through Equifax Canada or Dun & Bradstreet Canada, with your authorization.
- **Credit limits:** \$2,500 (Procurement-only or Starter), \$10,000 (Pro), negotiated (Enterprise).
- **Card on file:** a valid card must always be on file, as a backstop if an invoice is unpaid 5 business days past due.
- **Large orders:** a deposit of up to 50% may be required for an order over 50% of your limit.
- **Keeping them:** terms may be suspended after 15 days past due, two or more late payments in 12 months, or a material drop in credit standing.

6. Insurance (Distribution only)

Plan	Minimum commercial general liability
Procurement only	No requirement
Distribution Starter	\$1,000,000
Distribution Pro	\$2,000,000
Distribution Enterprise	\$2,000,000 to \$5,000,000 depending on volume and products

Product liability coverage is also required if you distribute food, produce or consumable goods.

7. Your business portal

- **Requests:** multi-supplier procurement requests; OCSAPP confirms pricing before shipment.
- **Shipments:** end-to-end GPS tracking, with proof of delivery.
- **Recurring routes:** replenishment or distribution schedules, to pause or adjust at any time.
- **Invoices, payments and payables:** purchase orders, bills of lading and invoices for every transaction.
- **Claims, messages and documents:** report an issue, message the team and manage your business documents.

8. Claims

Report a shortage, damage, defect or fulfillment error **within 48 hours of the delivery scan**, from your portal or at info@ocsapp.ca, with photos and your purchase order number (Returns & Refund Policy, Track B).

The cause is determined using photos and scans taken at the supplier and at delivery, and the claim is resolved accordingly: replacement, credit or refund.

9. Founding Partner Program

Reserved for the **first 5 approved business accounts**, automatically on approval, as long as the cohort isn't full:

- Distribution Starter rate locked for 6 months: 5%, \$0 monthly fee (normally \$49/month)
- A dedicated account manager from day one, normally reserved for higher tiers

Coming soon: a Procurement fee waiver on your first \$10,000 of volume. It will be announced once it launches. Spots remaining: ocsapp.ca/founding.

10. Frequently asked questions

Is there a minimum order?

Not at the platform level. Minimum quantities are set by each supplier and shown in their catalog.

Can I use only Procurement?

Yes. Procurement is free (1% fee) and needs no insurance. Distribution is a separate service, for your own products.

How are disputes resolved?

First through good-faith negotiation. If unresolved within 30 days, a dispute may be submitted to the courts of the judicial district of Montréal. No mandatory arbitration.
