1. Welcome to OCSAPP

OCSAPP is a Quebec marketplace that connects you directly with the shops, artisans and independent brands in your area, with built-in local delivery and a fully bilingual experience.

Every purchase supports a local business and a local driver's earnings. One account lets you shop from many shops, in English or French.

At a glance

Buyer account	\$0, free forever
Estimated delivery	15-30 minutes
Active zone	West Island (Laval and downtown Montreal coming soon)
Delivery	ODA driver network, working toward a zero-emission delivery goal

2. Your journey in 5 steps

1. Create your account. During beta, use the personal link in your invitation email. Enter your name, your email (the one the invitation was sent to), your phone and a password, then confirm your email with the code you receive.

2. Add your address. Save one or more delivery addresses in your account. Your address sets your zone and which shops are available near you.

3. Shop. Browse the categories, the shops and the Deals page. Add products from several shops to one cart.

4. Pay. The full total, including delivery fees and taxes (GST 5% and QST 9.975%), is shown before you pay. OCSAPP splits the order between the shops automatically.

5. Track and receive. Follow your order's status in your account and by email, until an ODA network driver delivers it.

3. What you can shop

Shops are grouped into 11 categories:

- Food & Dining
- Grocery
- Health & Pharmacy
- Fashion & Boutiques
- Wellness & Beauty
- Events & Catering
- Local Artisans
- Auto & Industrial Parts
- Home & Everyday
- Electronics & Tech
- World Flavors

A growing catalog: OCSAPP is in beta and new shops are added regularly. Can't find something? Add it to your wishlist or let us know.

4. Your account

- **Order history:** all your current and past orders, with their status.
- **Wishlist:** save products you like for later.
- **Address book:** several addresses (home, work, gift), chosen at checkout.
- **Reviews:** rate shops after you buy.
- **Language:** switch between English and French at any time.
- **Cancellation:** cancel an order yourself while it is "Pending" or "Confirmed".

5. What you pay

Your account is free, forever. You pay the price the seller lists, plus, only if you choose delivery, one zone fee shown before you pay.

Item	Amount
Account / subscription	\$0
Markup on the seller's price	\$0: you pay the exact listed price
In-store pickup	\$0
Payment processing fee	None for you (absorbed by the seller)
West Island delivery	\$7.99 (active)
Laval delivery	\$8.99 (coming soon)
Downtown Montreal delivery	\$9.99 (coming soon)

Possible surcharges, always shown before you confirm your order (West Island / Laval / downtown):

Situation	Surcharge
Cart over 15 kg (up to 25 kg)	\$4.00 / \$4.50 / \$5.00
Each 10 kg over 25 kg (40 kg maximum)	\$2.00 / \$2.25 / \$2.50
Delivery over 8 km (up to 12 km)	\$4.00 / \$4.50 / \$5.00
Each 4 km over 12 km (20 km maximum)	\$2.00 / \$2.25 / \$2.50
Each shop beyond the 2nd in your cart	\$2.00 / \$2.25 / \$2.50

No surprises: the delivery fee is fixed by zone and never changes with demand. Most orders have no surcharge at all.

6. Founding Buyer Program

If you're among the **first 200 buyer accounts** to place an eligible delivery order, your first delivery is free: OCSAPP covers the standard zone fee, automatically, with no code.

Surcharges (oversize order, additional stop) still apply to that order if it qualifies.

Referrals, for every buyer: refer a friend who completes their first order and you both get a \$5 credit toward a future delivery fee, with no limit. Spots remaining: ocsapp.ca/founding.

7. Delivery and order statuses

Deliveries are made by OCSAPP's ODA driver network. Every driver is screened before approval.

Status	What it means
Pending	Order received. You can still cancel it.
Confirmed	The shop accepted the order. You can still cancel it.
Processing	The shop is preparing your items.
Ready	Packed and waiting for the driver.
Out for delivery	The driver has your order and is on the way.
Delivered	Order received. You can rate the shop.
Cancelled / Refunded	Order cancelled or refunded to your original payment method.

Tips: tipping isn't active yet. Once it is, 100% of every tip will go directly to your driver.

8. Returns, refunds and problems

You have **14 days** from delivery to request a return or refund, in line with Quebec's Consumer Protection Act. The same window applies if an item is missing, damaged or incorrect.

Payment method	Refund time
Credit / debit card	3-7 business days (bank-dependent)
PayPal	3-5 business days
Interac e-Transfer	1-3 business days

Full details are in the Returns & Refund Policy: ocsapp.ca/returns.

9. Trust and privacy

- **Verified shops:** every shop is reviewed by our team, including its Quebec enterprise number (NEQ), before it can sell.
- **Secure payments:** payments are processed by Stripe and PayPal. OCSAPP doesn't store your card details.
- **Your information:** handled in line with Quebec's Law 25 and our Privacy Policy (ocsapp.ca/privacy).
- **Emails:** you can unsubscribe from promotional emails at any time.

10. Community standards

- Only place orders you intend to receive; repeated cancellations may lead to an account review.
- Leave honest reviews. Fake or malicious reviews may be removed.
- Communicate respectfully with shops and drivers.
- Check your address before ordering, and don't share your password.

11. Frequently asked questions

Can I order from several shops at once?

Yes, in one cart and one payment. Beyond 2 shops, an additional-stop fee applies per shop, shown before you confirm.

Which payment methods are accepted?

Credit and debit cards (through Stripe) and PayPal.

Can I use OCSAPP in French?

Yes. OCSAPP is fully bilingual; switch languages at any time from the header.

Why can't I create an account?

During beta, accounts are by invitation. Join the waitlist (ocsapp.ca/waitlist) and we'll send you your personal link.
