| 7. Standards and expectations | 8. Founding Driver Program |
| 9. Frequently asked questions | 10. Contact us |

1. Welcome to the ODA network

ODA network drivers pick up orders from local shops and suppliers and deliver them to buyers and businesses. Every delivery shows a **fixed rate by zone before you accept it**, and **70% of every delivery fee is yours**.

You are an independent contractor: you choose your hours and which deliveries you accept. Your agreement is non-exclusive and there is no minimum number of jobs.

At a glance

Approval	1-3 business days, including a background check
Your share	70% of every delivery fee, in every zone
Payment	Every Monday, by direct deposit
Active zone	West Island (Laval and downtown Montreal coming soon)

2. Your journey in 4 steps

1. Apply. During beta, use the personal link in your invitation email, with the email address the invitation was sent to. Enter your contact details, date of birth, licence, vehicle type and availability, and consent to a background check.

2. Review (1-3 business days). Our team reviews your application and runs the background check. You follow the progress in your dashboard.

3. Training. Work through the training modules in your driver dashboard.

4. Deliver. Accept the deliveries that suit you; your earnings are paid every Monday.

3. What to have ready

- Be **18 or older**
- A **valid Quebec driver's licence** of the class appropriate to your vehicle (Class 5 for a car or passenger van)
- **Insurance covering commercial use:** automobile liability and cargo/civil liability, minimum \$1,000,000. A personal policy usually excludes delivery work; check with your insurer before applying.
- An **eligible vehicle:** e-bike, motorcycle, car, SUV or van for B2C orders (up to 15 kg); van or small truck for B2B distribution (up to 25 kg regularly)
- A **smartphone** with a browser and mobile data: your dashboard runs in the browser, no app to download
- A Canadian bank account for direct deposit

Regular bicycles: bikes without electric assist are not eligible.

4. What you earn

Every delivery pays a fixed rate, published by zone and shown before you accept. Never adjusted for demand, weather or an algorithm. You keep 70%; the remaining 30% funds dispatch, technology, screening and administration.

Delivery type	West Island (active)	Laval (coming soon)	Downtown Montreal (coming soon)
Marketplace (B2C): fee	\$7.99	\$8.99	\$9.99
Marketplace: your share (70%)	\$5.59	\$6.29	\$6.99
Supplier (B2B): fee	\$19.00	\$21.00	\$24.00
Supplier: your share (70%)	\$13.30	\$14.70	\$16.80

Heavier, longer or multi-stop orders: published surcharges are added (oversize, long distance, extra stop), shown before you accept and split 70/30 the same way. Your share in the West Island:

Surcharge (your share, West Island)	Marketplace	Supplier
Oversize order (base band)	\$2.80	\$7.00
Each extra weight band	\$1.40	\$3.50
Long distance (base band)	\$2.80	\$7.00
Each extra distance band	\$1.40	\$3.50
Extra stop	\$1.40	\$2.80

Tips: tipping isn't active yet. Once it is, 100% of every tip will be yours; the amounts above include no tips.

5. How a delivery works

- **Accept:** you see the pickup, destination, order size and your exact earnings before you accept or decline.
- **Pick up:** check the contents, confirm pickup and take the requested photo or scan.
- **Deliver:** hand over the order, confirm delivery and take a photo or signature when requested.
- **Returns and exchanges:** return pickups may be offered to you, at the same 70/30 split and with the same freedom to accept or decline.

Photos and scans, on every order: they are the evidence used to determine the cause of a shortage, damage or discrepancy. Do them accurately and at the right moment; falsifying or skipping them is a serious violation.

6. Payment and taxes

- **Every Monday,** by direct deposit, for deliveries completed the previous Monday to Sunday. A detailed statement (job, zone, rate) is available in your dashboard.
- **Payout error:** report it within 30 days of the payout date.
- **Taxes:** as a contractor you report your own income. GST and QST registration is **mandatory** once your revenue passes \$30,000 over four consecutive quarters. Consult a professional if needed.

7. Standards and expectations

- Keep to pickup and delivery windows; repeated delays are reviewed.
- Be courteous with shops, suppliers and customers.
- Handle orders with care, especially food and fragile items; report any damage immediately.
- Never open or change an order's contents; report a missing item before leaving the pickup.
- Keep location enabled during an active delivery.
- No phone use while driving: pull over safely before using the dashboard.

8. Founding Driver Program

Reserved for the **first 50 approved drivers**, automatically on approval, as long as the cohort isn't full: a permanent Founding Driver badge on your profile.

Coming soon: a milestone bonus, a referral bonus and priority dispatch access, on top of the standard 70/30 split. They will be announced once they launch. Spots remaining: ocsapp.ca/founding.

9. Frequently asked questions

Can I choose my hours?

Yes. You set your availability and accept only the deliveries that suit you, with no minimum.

Do surcharges change my 70% split?

No. Every surcharge is split 70/30, exactly like the base fee.

What if the customer isn't there?

Try to reach them, wait a few minutes, photograph the delivery location and report the attempt to the OCSAPP team. Don't leave an order unattended unless that delivery allows it.

10. Contact us

Channel	Details
Driver support	info@ocsapp.ca (account, earnings and policies)
Phone	514-746-3789, Monday to Sunday, 7am to 11pm
Active delivery	Call 514-746-3789 for an urgent issue
